## **Programme**

# **Digital security for democratic, social and economic prosperity**

**4-6 November 2022**

(with arrivals on 2 and 3 November)

A conference convened in cooperation with Canadian Ditchley and the University of Ottawa

at

Fairmont Château Laurier, Ottawa, Ontario

*Participants and observers are reminded of the private and confidential basis on which Ditchley Foundation conferences are held. All those participating do so in their personal capacities, not as spokespeople for any country or institution. In addition, all the proceedings take place under the 'Ditchley Rule', whereby all contributions are unattributable and interventions are made in strict confidence; this also applies to exchanges that take place outside the formal sessions. Those present are free to draw afterwards on the substance of what has been said, but not under any circumstances to reveal to any person not participating in the conference who it was that said it. The Rule will be scrupulously observed in any Note later produced on the conference by the Director.*
