**Waiting Team vacancies at Ditchley Park**

An experienced Waiters / Waitresses are sought to become part of the Waiting Team at Ditchley Park.

Ditchley Park is one of the United Kingdom's finest houses, having a rich history as an idyllic retreat for royalty and power since the reign of Queen Elizabeth I. Churchill famously used Ditchley as a secret base during the early years of World War II, meeting presidential envoy Harry Hopkins here in his efforts to win American support.

Ditchley Park is owned and managed by The Ditchley Foundation who work with people from across the world to help sustain peace, freedom and order. Ditchley's approach aims to build new common ground, we believe that change is driven, and managed, by personal relationships, not reports or declarations.

In this inspiring place, we enable spirited but respectful discussion across divisions of expertise, geography, generations and political opinion. We work constantly to get better at this, harnessing the power of tradition and innovation in equal measure. No one leaves Ditchley without thinking new things.

When not being used by The Ditchley Foundation, Ditchley Park hosts private events for selected institutions and companies.
